- 10.1.3. Where team numbers permit, Junior Leagues will be divided into the following zones:
- a. West
 - b. North

- 10.1.4. In circumstances where team numbers entered into a particular junior age group do not allow viable zonal Leagues, FFV may amalgamate available Teams into one or more of the following competitions:
- a. Metropolitan (stand-alone)
 - b. North-West
 - c. South-East
 - d. Any other zone that FFV determines in its sole discretion based on team numbers entered.
- 10.1.5. Junior Competition Fixtures will only be played on Sunday although FFV may schedule Competition Fixtures on other days as it deems necessary, or otherwise approves.
- 10.1.6. Under 20 Competition Fixtures will be played on either Friday, Saturday, Sunday or Monday, although FFV may schedule Competition Fixtures on other days as it deems necessary, or otherwise approves.

- 10.1.7. Friday or Monday night Competition Fixtures may not kick off earlier than 6.30pm or later than 8.30pm unless the Competition Fixture has been rescheduled in accordance to Rule 4.3.
- 10.1.8. Competition Fixtures cannot be scheduled for a Friday or Monday night if the distance between the home venues of the two (2) Clubs exceeds 50km, unless written agreement from the two (2) Clubs is received or as determined by FFV at its absolute and sole discretion.
- 10.1.9. A player may only play up to four (4) years above his or her age group, or in the case of Under 20s the player must turn 15 years of age in 2018, unless an application to FFV for exemption from Regulation 10.1.9 is made by the player's Club on behalf of the player and is accepted by FFV.
- 10.1.10. Any request for an exemption under Regulation 10.1.9 must meet the following minimum criteria:
- a. The application must be accompanied by a signed letter from the player's Club supporting the application;

- 10.1.13. For all Junior competitions, a player who has played at a higher division in a particular age group (e.g. 14As) for five (5) Competition Fixtures or more, cannot drop to a lower category (e.g. 14Bs) within the same age group for his or her Club for the remainder of the Regular Season (including Finals). This Regulation does not, however, prevent a player who is playing 'up' an age group returning to his rightful age group in accordance with Regulation 10.1.12.
- 10.1.14. A player may be granted a dispensation to play down a maximum of one (1) age group at FFV's sole discretion if:
- a. Subject to Regulation 10.1.16, the player has not previously been registered with FFA or FFV; or

- b. the player satisfies FFV that due to medical or physical reasons a dispensation should be granted. To apply for dispensation under this Regulation the player (and/or his or her Club) must apply in writing to FFV requesting dispensation and providing satisfactory evidence that the player is not capable of competing at the higher age group. In support of that application, the Club must provide FFV with:
 - (i) a letter on Club letterhead outlining the request;
 - (ii) a supporting letter from the player's parent(s)/guardian(s);
 - (iii) a current medical certificate outlining the player's condition and reason(s) for needing to play in a younger age group; and
 - (iv) any other information the club wishes to submit in support of the application; or
- c. In the opinion of FFV, it benefits the interests of one or more of the following to allow the dispensation:
 - (i) the player;
 - (ii) the Team;
 - (iii) the Club;
 - (iv) the League in which the Team participates;
 - (v) football in Victoria in general.

10.1.15. FFV may request information or clarification from a player or Club applying for dispensation under regulation 10.1.14 as it sees fit, and will make a decision in relation to the dispensation request at its sole discretion.

10.1.16. FFV may refuse to grant a dispensation requested under regulation 10.1.14.a in circumstances where the player in question has played football in school or other competitions not administered by FFV or FFA. FFV may seek further information from the Club in question before making a determination under this regulation and the Club must submit that information as part of the dispensation request.

10.1.17. If a Club has two (2) Teams in the 'A' division of a particular age group then players are 'team-tied' following completion of the fifth (5th) round of the Regular Season. Clubs will be required to submit a Team list for both Teams from Round 6 onwards, listing each player, which will be tied to that particular Team for the remainder of the Regular Season. Any new player(s) that are named on a Match Record for either of these Teams from Round 6 onwards, will be tied to that Team for the remainder of the Regular Season. Once a player is tied to a particular Team, the player must not be named on the Match Record for the clubs other 'A' division Team, otherwise they will be deemed ineligible.

- c. Teams in Leagues of an even (6, 8, 10, 12 or 14) number of Teams will all play 18 Competition Fixtures during the Regular Season unless otherwise determined by FFV.
- d. Teams in Leagues of an uneven (7, 11, 13 or 15) number of Teams will either:

- (i) have additional Competition Fixtures scheduled during their Regular Season; or
 - (ii) have Competition Fixtures removed from their Regular Season,
to ensure that all Teams play the same number of Competition Fixtures across the Regular Season.
- e. Teams in Leagues of nine (9) Teams will all play sixteen (16) Competition Fixtures during the Regular Season unless otherwise determined by FFV.

10.5.3. *Under 12s*

- b. Leagues of no less than six (6) Teams or greater than 15 Teams will be created in Kangaroos, Wallabies or Joeys Leagues.
- c. If there are less than six (6) Teams in a Wallaby League it will be amalgamated with a corresponding Joeys League in that zone, or if there is no Joeys League for that zone, the Kangaroos League for that zone.
- d. If there is less than six (6) Teams in a Joeys league it will be amalgamated with the corresponding Wallabies League in that zone, or if there is no Wallabies League for that zone, the Kangaroos League for that zone.

10.5.4. *Boys Under 13 to Under 20s*

- a. 'A' Leagues will only consist of ten (10) Teams, unless there are less than six (6) teams in 'B' and no Teams at any subsequent level below 'B', then these two (2) Leagues (A & B) will be amalgamated into one (1) League.
- b. In all grades other than 'A', Leagues of no less than six (6) Teams will be created. If there are less than six (6) Teams in a League, that League will be amalgamated with the League above it in the same age group.

10.5.6. In Under 14 to Under 20 Boys Leagues, Clubs may have no more than two (2) Teams in 'A', unless 'A' is the only League in that age group. Clubs may have single or multiple Teams in any League lower than 'A'.

10.5.7. All Teams will be graded having regard to their previous Regular Season's standings and results, FFV's league structure request process and such other criteria as FFV shall publish from time to time.

10.5.8. Age groups with one standalone division are considered an 'A' League for the purpose of Regulation 10.5.1.

10.6. Regrading & Late Team Entries

10.6.1. Following the conclusion of Round 3 of the Regular Season, a request to re-grade to a new League will only be considered by FFV if:

- a. the League to which the team wants to move contains a bye (i.e. an uneven number of teams); and
- b. the league from which the team wants to move does not contain a bye (i.e. an even number of teams); OR
- c. there is a concurrent request from a Team to move between the two Leagues referred to in Rules 10.6.1(a) and 10.6.1(b) above which would effectively result in a direct swap between the two Teams in question and, therefore, no disruption to either of the respective leagues.

10.6.2. No Club shall have more than two (2) Teams re-graded in the same competition age group except in extraordinary circumstances as deemed necessary by FFV.

10.6.3. FFV may consider a request to re-grade which does not satisfy the criteria stipulated in Rule 10.6.1 above in exceptional circumstances. In doing so, it will give consideration to the following:

- a. The extent of League and fixture disruption for other Teams caused by the proposed move.
- b. Match results recorded between Rounds 1-3 of the current Regular Season. No request to re-grade will be considered if a Team has not won or lost all three fixtures.
- c. History of the Team's performance across previous seasons.
- d. Any additional information sought or requested by FFV, including but not limited to referee and opposition feedback.

10.6.4. FFV will not consider requests to re-grade between geographic zones.

10.6.5. The following match determinations will apply to competitions affected by an approved request to re-grade:

- a. Any re-graded Team will commence in its new League in Round 4 and will incur three (3) Regrading Results as a result of commencing in the new League after the third round. FFV will determine the three rounds for which the regraded Team is to be allocated a Regrading Result. Each Regrading Result will be attributed a 3-0 result against the re-graded Team.
- b. All results accumulated against a Team that has been re-graded out of a League will be removed from that League and ladder.

- 10.6.6. The Re-grading Period will commence following Round 3 of the Regular Season. All re-grading requests must be received by FFV no later than 24 hours after the conclusion of a Team's Round 3 Competition Fixture. Any request received after this time will not be considered unless, in the opinion of FFV, the request benefits all affected Leagues.
- 10.6.7. All regrading requests must be submitted through the online form which can be found on the FFV Website. One form will be required for each re-grading request that is submitted. Requests for re-grading or confirmation sought over the phone or via email will not be considered by FFV.

- 10.7.1. Clubs may apply to enter any number of Teams, new or existing, in any one (1) age group.

- 10.7.3. Vacancies that arise in a League after the closure of the Team entry period will be filled preferentially by:
- a. Existing Teams that competed in the previous year's Regular Season; and
 - b. New Teams which indicate at the time of Team entry a preference to be placed in a higher category.
- 10.7.4. Any online Team application submitted after the closure of the Team entry period will only be accepted if a vacancy exists within that age group, preferably in the club's rightful FFV zone, however inclusion in another zone may be considered. Placement preferences will not be considered when allocating late Team entries.
- 10.7.5. Further to Regulation 10.7.4, if a vacancy does not exist, FFV will consider entering a 'late' Team following the regarding process which follows Round 3.
- 10.7.6. Where a late Team entry is accepted by FFV and that Team commences in a League after the commencement of the Regular Season, FFV will determine the allocation of Forfeits for the number of Competition Fixtures missed by that Team (as a result of late inclusion in the League in question) at its sole discretion.

Victorian Code of Conduct for Community Sport

Every person in Victoria has the right to participate in community sport that is safe, welcoming and inclusive. At the same time, everyone plays a part in ensuring their behaviour and their actions are supportive of these values.

State Sporting Associations, leagues and clubs also have a responsibility to ensure participation in any community sport event is free of any anti-social behaviour. This means that behaviour both on and off the field should not prevent others from taking part and getting active.

The [Victorian Code of Conduct for Community Sport](#) outlines behaviours which are expected of every person involved in community sport, and behaviours which must not be tolerated.

The Code supports [Victoria's Plan to Prevent Violence Against Women](#) by taking a zero tolerance stance towards violence against women. The Code also aims to encourage cultural and behavioural change as a pre-emptive measure against violence.

Acts of [violence](#), [discrimination](#) and [vilification](#) are illegal acts in Victoria. It is a club's responsibility to report these to the appropriate legal authorities and ensure these acts are not tolerated by the sport or club.

State Sporting Associations, leagues and clubs will have the responsibility of adhering to and enforcing the code through sport specific penalties. Organisations that do not adhere to and enforce the Code will not be eligible for funding from Sport and Recreation Victoria, and any existing funding will cease.

The Code provides the opportunity to make a positive impact on community participation in sport and recreation by encouraging appropriate behaviour at all times. Implementation of the Code will ensure that community sport remains safe and inclusive for all.

Code of Conduct

Every person: spectator, player, club member, official, participant, administrator, coach, parent or member of the community involved with the sport, should work to ensure:

- inclusion of every person regardless of their age, gender or sexual orientation
- inclusion of every person regardless of their race, culture or religion
- opportunities for people of all abilities to participate in the sport and develop to their full potential
- respect is shown towards others, the club and the broader community
- a safe and inclusive environment for all
- elimination of violent and abusive behavior
- protection from sexual harassment or intimidation.

This Code applies to community sport, training and club sanctioned activities.

Breaches of the Code

The following behaviours are considered breaches of the Code:

- Violent or abusive behaviour towards another person.
- Vilification of any kind towards another person.
- Discrimination against another person based on their age, gender or sexual orientation.
- Discrimination against another person based on their race, culture, religion or any other irrelevant personal characteristic.
- Sexual harassment or intimidation of another person.
- Victimization of another person for exercising their rights through the Code of Conduct.

- Failure to maintain a safe environment.

If any of these behaviours take place within a sport or recreational context, the relevant State Sporting Association, league, association or club is able to impose penalties or sanctions. For this to occur, the breach must be confirmed through an appropriate assessment process at the appropriate level.

State Sporting Association Responsibility
